- **13 min direct bus** #342 to Newton Exchange
- **3 min direct bus** #323 to Surrey Central Station

MARKET UPDATE

In Metro Vancouver, the pre-sale strata market activity experienced an increase over Q4 2023 and this trend has continued into 2024, reflecting improved buyer sentiment as previously declining markets are now gradually recovering.

In Surrey, the vacancy rate is currently 2%, contributing to its position as the largest industrial market in the region, accounting for 18% of Metro Vancouver's total industrial market. Despite the Surrey vacancy rate rising throughout the last 24 months, it has remained steady for 3 consecutive quarters at 2.1%, with the average lease rate currently at \$20.52 per SF, net.

ABOUT BEEDIE

Since 1954, Beedie has combined innovation and craftsmanship to bring new possibilities to life. Today, Beedie is one of Canada's largest private industrial and residential developers, having completed more than 35 million square feet of new development. Their integrated structure allows them to implement the highest construction and design standards,

and their legacy of relationship building enables them to deliver projects that drive commercial value. As Beedie grows its operations across North America, they have industrial building opportunities available in British Columbia, Alberta, Ontario, and Las Vegas, Nevada.
